

REMARKS

Applicants have reviewed and considered the Office Action dated December 20, 2001. In the Office Action, the Examiner rejected claims 22-42 under 35 U.S.C. § 112 as indefinite due to the lack of antecedent basis for the phrase "the first guide position". The Examiner also objected to claim 36 due to a grammatical error. Additionally, the Examiner indicated that claims 22-42 would be allowable if rewritten to overcome the § 112 rejection. In response, applicants have amended claims 22 and 36 to address the issues noted by the Examiner and it is submitted that the claims are in condition for allowance.

If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
